

SUMMER ENROLLMENT

SCOTT and WHITE HEALTH PLAN BENEFITS

State of Texas and Higher Education Employees,
Retirees and Dependents

September 1, 2017 – August 31, 2018

Scott and White Health Plan and Baylor Scott & White Quality Alliance

About Scott and White Health Plan

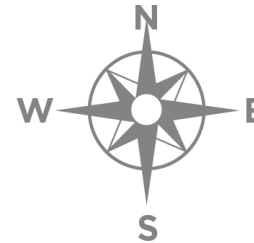

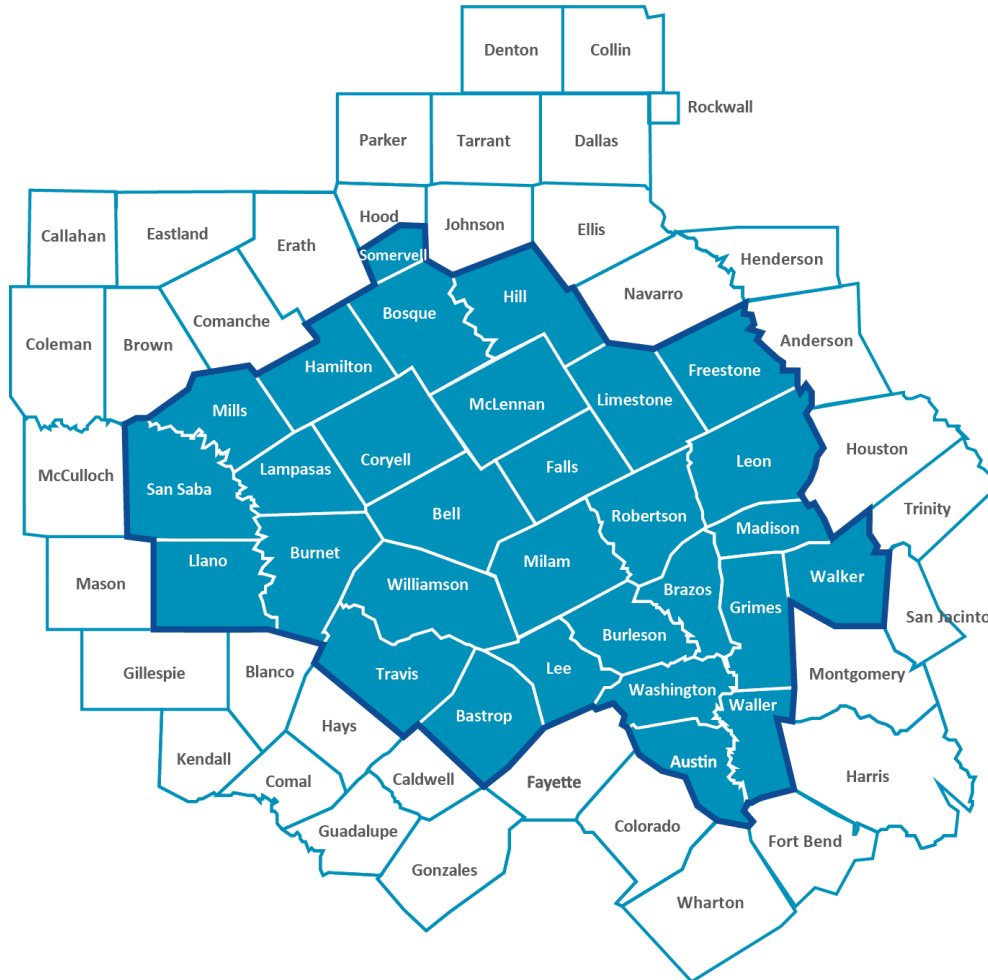

- Not-for-profit Health Maintenance Organization established in 1982
- Offered to State of Texas and Higher Education employees, retirees and their dependents since 1982
- More than 243,000 members
- Available in 30 counties across Central Texas

About Baylor Scott & White Quality Alliance

- Accountable Care Organization (ACO) affiliated with Baylor Scott & White Health, one of the largest health care systems in Texas
- Comprised of primary/specialty care physicians, hospitals, post-acute care facilities and other health care stakeholders agreeing to be jointly accountable for improving quality, managing the health of patient populations, and reducing health care costs.

SWHP Service Area

If you live or work in one of the blue counties, you are eligible to participate in the ERS Group Benefit Plan administered by Scott and White Health Plan for the 2018 benefit year.

Impacts of Network Change

With the change to the BSW Preferred HMO network:

- If you live or work in a county included in the BSW Preferred HMO service area, you can continue your coverage as usual with SWHP.
- Members no longer living or working in SWHP's service area:
 - Will be automatically enrolled in the HealthSelectSM of Texas plan; or
 - May sign up for Consumer Directed HealthSelectSM during summer enrollment

How Does the ACO work?

Your Primary Care Doctor, if you select one*, is considered the captain of your care team.

- Your PCP uses electronic health records to help keep you and your care team informed about other doctors you may be seeing, what medicine you're taking, your health history, and your test results — in real time.
- Your doctors are held accountable for achieving quality, patient satisfaction and cost measures.

* This is an open-access plan – you can go to any network provider without a referral. PCP selection is NOT required.

Retail Maintenance	\$10 / \$45 / \$75
Mail Order (90 days)	\$30 / \$105 / \$180

Value-Added Benefits

Disease Management

Disease management programs are designed to improve the health of people with chronic conditions and reduce associated costs from avoidable complications. These goals are accomplished by identifying and treating chronic conditions more quickly and more effectively, slowing the progression of those diseases. Disease management empowers you, working with your health care providers, to manage the disease and prevent complications.

Online Lifestyle Management

Scott and White Health Plan wants to help support healthy choices by providing individual personalized plans that fit your life and needs. To participate in any of the lifestyle management programs, visit **ers.swhp.org** and log in, then click on Wellness.

ERS cannot and does not guarantee the length of time that a specific or type of value-added product will be offered or that a product will be offered in the future. If you have questions or concerns about these products, please contact Scott and White Health Plan directly.

Value-Added Benefits, cont'd.

Complex Case Management

Our Complex Case Management program pairs you with a nurse case manager who will work with you, your family, and the physician to create a plan to meet your ongoing complex care needs. The goal is to help you get the best possible results and the greatest value from your health plan. Participation is voluntary and there is no additional cost to you for this program.

Wellness Assessment

The Wellness Assessment is a simple, digital health survey that helps you take steps toward a more vibrant and healthier life. The assessment asks questions about your life and delivers customized action steps from our Lifestyle Management Program. Modules are self-paced, available online, and convenient for promoting physical and mental health.
